

## *Congratulations!*

Hello! My name is \_\_\_\_\_ with Mary Kay Cosmetics and I'm contacting you regarding your registry with David's Bridal. You were selected for a **free pampering session** and a **\$10 gift card** to use for Mary Kay products!

You've won a free pampering session for yourself and up to 8 people! A lot of girls are using this for their bridal party. It includes a 4-step facial/skin care treatment, a 3-step pampering hand treatment, and a 2-step lip treatment. We can pick out colors that will help you look and feel beautiful on your big day! You could also include your Mother of the Bride, Mother of the Groom, Grandmothers, Bridesmaids, etc.

Feel free to call or email at your convenience and we can schedule that will work for you. This is a complimentary gift for you and the ladies you want to share it with, and there is absolutely no obligation to purchase.

I look forward to hearing from you!
