Recognition & Prizes

Imagine

your way to beautiful

"I get to earn extra money at my own pace and choose how much extra money I want. Maybe an extra \$50 for a new pair of shoes or an extra \$200 to pay off debt. And I can even work to make an extra \$500-\$1000 to replace a part time job!"

"When was the last time I was recognized for cleaning the house? Or showing up to work?"

I think it would be fun to earn prizes just for working my business! On top of the money I will be making, I will be able to earn "Cinderella" gifts that include jewelry, diamonds, trips to exotic locations, gift cards and purses! The life of a princess can be difficult!"

"Becoming a more confident person is always easier in the comfort of a positive environment. I am looking forward to having positive friends and business mentors that will help me improve my self esteem and self confidence & become a better 'me'. This will help me be a more positive mom, wife, friend, and family member."

"Wow! I am excited to be able to work my business in and around my personal life instead of planning my life around my work. I get to choose to put God first, Family second and Career third and still make great money. I can also choose to be a part of Mary Kay just for the fun and the girlfriend time!"

"It would be so nice to not have a car payment and have a brand new car! In Mary Kay, I will have the opportunity to earn a brand new car and the company will pay for its taxes, title and 85% of the insurance. That sounds great to me!"

"The sky is the limit with Mary Kay. There are different leadership levels in Mary Kay in which I will have the chance to make a positive impact on other women's lives. If I choose to promote myself, I can at my own pace and the opportunity for advancement is unlimited."
